

Remittance Safety Checklist

Securely Send **UAE Dirham** from **Dubai** to Bangladesh

- 1** Always use authorized and legal banking channels or registered exchange houses in Dubai.
- 2** Never use Hundi or illegal channels to send UAE Dirham as it is risky and illegal.
- 3** Double-check the recipient's bank account number and routing number before confirming the transaction.
- 4** Verify the daily UAE Dirham exchange rate on TakaRateToday.com to get the best legal rate.
- 5** Ensure you collect the transaction receipt or reference number after sending money from Dubai.
- 6** Claim the 2.5% Government Cash Incentive on your legitimate remittance sent to Bangladesh!
